Sunderland Students' Union ("the SU", "we", "our" or "us") promises to respect any personal data you share with us, or that we get from other organisations and keep it safe. We aim to be clear when we collect your data and not do anything you would not reasonably expect.

Facilitating our legal requirements, organisation policy and services to our customers (consumers) through using your personal data allows us to make better decisions, communicate more efficiently and, ultimately, ensure you receive the services required.

Where we collect information about you

To place an order with us online, registration is required. At the point of registration, we request certain information that is required to enable us to process your order and notify you of its progress.

What personal data we collect and how we use it

The type and quantity of information we collect and how we use it depends on why you are providing it. In registering as a customer, we will ask you to provide us with the following personal information:

- Name
- Address
- Email
- Telephone Number
- Date of Birth

We will mainly use your data to administer our contracted duties with you and to send you carefully selected information about our products and services.

When you make a purchase, we will also collect payment details from you for the purposes of making payment. This is processed through our website CMS system which is provided by One Voice Digital on behalf of NUS.

We ask for your date of birth to ensure compliance with age-related laws for example for buying tickets for events which are for 18+ year olds.

Should we need to contact you for any reason regarding your order, we will use the email address registered to your account, or the telephone number where provided. We process your personal data as it is necessary for the performance of a contract, that being to send you the product(s) you have ordered.

When we process your data, we will have already carefully assessed the lawful justification for doing so, the parameters in which the data is processed, the length of time for which the data is held, the secure storage of your data and undertaken impact assessments to ensure your rights are delivered.

How we keep your data safe and who has access

We undertake regular reviews of who has access to information that we hold to ensure that your information is only accessible by appropriately trained staff and contractors.

Some of our suppliers run their operations outside the European Economic Area (EEA). By submitting your personal information to us you agree to this transfer, storing or processing at a location outside the EEA.

We may need to disclose your details if required to the police, regulatory bodies or legal advisors.

We will only ever share your data in other circumstances if we have your explicit and informed consent.
